

PENNY BROMLEY

KEYNOTE SPEAKER • CERTIFIED LIFE MASTERY COACH

Penny's prior professional career includes three decades of experience in communications, marketing, project management and event planning. She graduated with honors, earning a bachelors degree in Business Administration from the University of Phoenix, San Diego, California and is a dedicated lifelong learner.

Now combining this background with the proven Brave Thinking® technology, Penny is helping clients achieve extraordinary results in accelerated time – helping them transform their lives and close the gap between the life they were living and a life they absolutely LOVE living.

Penny offers content-rich, interactive workshops that take participants on a journey in which they design, define, test, and experience a crystal-clear vision of the life they would love – a life that is in alignment with their highest purpose. They will have a unique opportunity to “step into” the life they are imagining and feel a resounding “yes, I would love that!”

When she's not serving others in her coaching business, Penny loves going on photography walks, dancing, creating art, causing trouble with her mini-schnauzers Orville and Wilbur, spending time with friends and family and quiet evenings with her husband Ben.

What makes Penny unique is her ability to see through blocks that stop people from achieving what they want then steering them in the direction they do want. Penny uses a variety of creative solutions and proven principles they can experiment with to achieve those results.
